#### INDEPENDENT AUDITOR'S REPORT

# To the Directors of Simon House Residence Society

#### Qualified Opinion

We have audited the financial statements of Simon House Residence Society (the "Society"), which comprise the statement of financial position as at December 31, 2020, and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial statements present fairly, in all material respects, the financial position of Simon House Residence Society as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Qualified Opinion

In common with many not-for-profit organizations, the Society derives revenue from fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Simon House Residence Society. Therefore, we were unable to determine whether any adjustments might be necessary to revenue, excess of revenues over expenditures, and cash flows from operations for the years ended December 31, 2020, and current assets and net assets as at December 31, 2020.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Simon House Residence Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Emphasis of Matter

We draw attention to Note 8 in the financial statements, discussing an event resulting from the World Health Organization declaring the coronavirus a global pandemic which could materially affect Simon House Residence Society.

## **INDEPENDENT AUDITOR'S REPORT, continued**

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

### **INDEPENDENT AUDITOR'S REPORT, continued**

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

#### 1. Nature of operations

Simon House Residence Society (the "Society") is a non-profit organization providing residential treatment services for men in the community to help them achieve long-term recovery from addiction. The Society is registered as a charity and is incorporated under the Societies Act of the Province of Alberta. The Society is exempt from income taxes pursuant to section 149(1)(I) of the Income Tax Act.

## 2. Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant policies are detailed as follows:

#### (a) Cash

Cash is defined as cash on hand and cash on deposit, net of cheques issued and outstanding at report date.

## (b) Capital assets

Capital assets are recorded at cost less accumulated amortization. The Society provides for amortization using the declining balance method at rates designed to amortize the cost of the capital assets over their estimated useful lives. One half of the year's amortization is recorded in the year of acquisition. No amortization is recorded in the year of disposal. The annual amortization rates are as follows:

Buildings	1%
Furniture and equipment	20%
Motor vehicles	30%
Computer equipment	30%

Capital assets are reviewed for impairment whenever events or changes in the circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs.

# SIMON HOUSE RESIDENCE SOCIETY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

## 2. Significant accounting policies, continued

### (c) Revenue recognition

The Society follows the deferral method of accounting for contributions.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Externally restricted contributions include; casino income and grant income. Casino income is subject to external restrictions established by the Alberta Gaming and Liquor Commission.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collected is reasonably assured. Unrestricted contributions include; program fees, donations, bingo revenue, and fundraising.

#### (d) Contributed materials and services

The operations of the Society depend on both the contribution of time by volunteers and donated materials from various sources. The fair value of donated materials and services cannot be reasonably determined and are therefore not reflected in these financial statements.

#### (e) Government assistance

Government assistance includes subsidies and loans associated with the COVID-19 pandemic support initiatives, and is recognized when there is reasonable assurance the Society has complied with terms and conditions of the approved government program and that the assistance will be received.

Government assistance related to an expenditure item is recognized as other revenue in the period in which the subsidy is received. Government assistance related to forgiven loan balances are recognized as other revenue when the loan is received.

Government assistance recorded in current and prior periods is subject to government review, which could result in future adjustments to income.

#### (f) Measurement uncertainty

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the period. Significant areas requiring the use of estimates include: estimated useful lives of capital assets. Actual results may differ from management's best estimates as additional information becomes available in the future.

# SIMON HOUSE RESIDENCE SOCIETY NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

# 2. Significant accounting policies, continued

### (g) Financial instruments

#### (i) Measurement of financial instruments

The Society initially measures its financial assets and liabilities at fair value.

The Society subsequently measures all its financial assets and financial liabilities at cost.

Financial assets measured at amortized cost on a straight-line basis include cash and accounts receivable.

Financial liabilities measured at amortized cost on a straight-line basis include accounts payable and accrued liabilities and CEBA loan payable.

# (ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in operations. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in operations.

## 3. Capital assets

	Cost	 ımulated rtization	2020 Net Book Value	2019 Net Book Value
Buildings	\$ 1,737,555	\$ 195,074	\$ 1,542,481	\$ 1,527,867
Land	918,850	-	918,850	918,850
Furniture and equipment	311,336	268,420	42,916	48,024
Motor vehicles	48,679	41,726	6,953	18,792
Computer equipment	57,217	52,453	4,764	4,384
				_
	\$ 3,073,637	\$ 557,673	\$ 2,515,964	\$ 2,517,917

The fair market value of the land and building at December 31, 2020 is \$3,188,500 per the City of Calgary property assessments.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

#### 4. Line of credit

The Society has access to a line of credit with a Canadian chartered bank. The facility is secured by the land and buildings and can be drawn up to \$400,000. The facility bears interest at the bank's prime lending rate plus 2%.

As at December 31, 2020 the Society has no amount drawn on this credit facility (2019 - \$120,959).

#### 5. **Deferred contributions**

	Balance, Beginning		Contributions		ontributions Utilized	Balance, Ending
Alberta Government The Calgary Foundation Casino Income	\$ - - 80,587	\$	100,000 80,000 -	\$	(31,800) (65,000) (77,154)	\$ 68,200 15,000 3,433
	\$ 80,587	\$	180,000	\$	(173,954)	\$ 86,633

#### 6. Government assistance

In an attempt to mitigate the impact of the COVID-19 pandemic, the Canadian government has introduced several grants and subsidies. The Society has taken advantage of several of these assistance options as follows:

	2020
Canada Emergency Wage Subsidy (CEWS) Temporary Wage Subsidy (TWS) Canada Emergency Business Account (CEBA)	\$ 210,038 23,160 10,000
	\$ 243,198

The CEBA is a government-funded loan, payable to a chartered bank, which is non-interest bearing until December 31, 2022, after which interest will be charged at 5% per annum. If repaid prior to December 31, 2022, 25% of the loan will be forgiven. The Society intends to repay the 75% of the loan by December 31, 2022 and therefore \$10,000 has been reported as income as a government subsidy and the liability has been adjusted to \$30,000.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

## 7. Contingent liabilities

The Society has been named as defendant in two human rights claims from an employee. The likelihood or amount of any liability for the claims cannot be reasonably determined and as such no liability has been accrued in these financial statements.

# 8. Impact of COVID-19 pandemic

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic, which continues to spread in Canada and around the world.

Due to the restrictions put in place, Simon House was operating at approximately 50% capacity for the majority of the year. As of mid-March, Simon House began using the transitional onsite housing as a quarantine building rather than for revenue. In May 2020, Alberta Health began funding eight additional beds for The Society which offset the impact from COVID.

Governments and central banks have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions. The duration and impact of the COVID-19 outbreak is unknown at this time. The extent of the impact of COVID-19 on The Society's operational and financial results will depend on the duration and spread of the outbreak, the impact on donors and men in society, and the efficacy of government assistance programs for charities impacted by COVID-19, all of which remain uncertain. As a result, the financial impact of the COVID-19 pandemic cannot be reasonably estimated at this time.

#### 9. Financial instruments

The Society is exposed to various financial risks through transactions in financial instruments. The following provides helpful information in assessing the extent of the Society's exposure to these risks.

#### (a) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Society's main credit risk relates to its accounts receivable.

# (b) Liquidity risk

Liquidity risk is the risk that the Society will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its accounts payable and accrued liabilities.

Unless otherwise noted, it is management's opinion that the Society is not exposed to significant other price risks arising from these financial statements.
